2.) I am an individual associated with The Plymouth Independent news site

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

Hello, I am the treasurer for the non-profit news organization The Plymouth Independent, a community newspaper covering Plymouth, MA. We are requesting an exemption for our journalists to be able to do research. As a non-profit organization, we appreciate greatly any consideration to help us remain a viable source for local journalism. We will be reviewing documents on cases we consider newsworthy. Our use of PACER will be intermittent and generally involve viewing, rather than downloading, documents.

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time: requesting through 12/31/2028
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
